**Gentling Skills NOT Attained:** Please read and sign below if gentling skills are not met.

\*If you are adopting or purchasing this horse or burro and it does not meet all three of the above gentling requirements, sign here confirming that you are taking the animal at its current state of training and that you have the facility requirements: 6-foot-high facility for ungentled horses two years and older, 5-foot-high facility for yearling, and 4 ½-foot high facility for a burro of any age. You should not release an ungentled animal into a large open area, such as a pasture, as you may not be able to recapture the animal for training or to provide veterinary care. However, once the animal is gentled, you may release it into a pasture or similar area.  
**Leave blank if this does not apply to you.** \*
