ADULT COMPETITION RULES & REGULATIONS

OVERVIEW

The Extreme Mustang Makeover is produced by the Mustang Heritage Foundation with the support of the Bureau of Land Management Wild Horse & Burro Program.

The Mustang Heritage Foundation is dedicated to facilitating successful placements for America's excess wild mustangs and burros through innovative programs, events, and education.

In keeping with this mission, the Extreme Mustang Makeover event will visit locations across the United States in order to promote adoption by showcasing the mustangs' value and trainability through competition.

Not adhering to the Regulations and Competition Rules listed in this document may result in disqualification from current and/or future Mustang Heritage Foundation competitions and programs.

ADULT GENERAL RULES

Participation in this event is by invitation only. The Mustang Heritage Foundation Board of Trustees has the unqualified right to determine eligibility and can, at any time, remove an applicant or contestant from a Mustang Heritage Foundation program and/or competition for any reason or for no reason.

The following list of general rules applies to any and all competitions, including in person and virtual.

1. TRAINER APPLICATION & SELECTION

- a. Interested trainers must complete and submit the trainer application before or on the deadline. Applications may be completed online at mustangheritagefoundation.org, or printed and mailed to 200 University Blvd., Suite 225, #110, Round Rock, TX, 78665, by application deadlines. MHF is not responsible for any lost/misdirected applications.
- b. Trainers must be 18 years of age or older as of the application deadline date(s).
- c. Trainers are required to be current members of the Mustang Heritage Foundation in order to compete. Learn more about membership and join at mustangheritagefoundation.org/membership. Your membership helps support mustang and burro adoption and awareness.
- d. No substitution or replacement of approved trainer will be allowed.
- e. Trainer selection will be made based on experience, references, facility approval and geographic location. Alternate trainers will also be notified should one of the selected trainers be unable to pick up their mustang.

- f. MHF and BLM staff members (full or part-time) along with their immediate family are ineligible to compete. Additionally, anyone who actively works for the BLM either directly or indirectly is ineligible to compete.
- g. Any applicant or selected trainer may be removed from the selection process or competition at any time if found to have any alleged history of cruelty to animals or humans. Applicants must meet all BLM Wild Horse and Burro Adoption Requirements. Removal of any trainer from the application process or competition is at the discretion of the Mustang Heritage Foundation's Board of Trustees.
- h. The Mustang Heritage Foundation Board of Trustees may at any time conduct a criminal background check on applicants or remove any applicant from the process for any reason or for no reason.
- i. Trainers are required to submit a signed release with their application so that all photos and filming may be used to promote the event and will be the property of the Mustang Heritage Foundation.
- j. Trainers are required to provide a digital headshot photo of themselves and short bio with their applications – ***applications received without photos or bios will not be considered***. In lieu of inclusion with online application, headshot photo may be emailed to marketing@mustangheritagefoundation.org. The photo and bio will be used for promotional purposes and will be viewable by the public.
- k. Sponsorships: The Mustang Heritage Foundation has entered into corporate sponsorship agreements with a variety of companies. The Foundation asks that trainers honor those sponsorships.
 - i. The Mustang Heritage Foundation may supply shirts with sponsor logos for trainers to wear during the event. Trainers will not be required to wear Mustang Heritage Foundation event shirts during the actual competition but may be required to wear shirts during promotional and adoption events.
 - ii. Trainers will be restricted from wearing apparel or equine products during the competition that have logos that are larger than 4 inches wide and 2 inches tall.
 - iii. Trainers may have small banners and brochures or small printed materials at their horse's stall ONLY to promote their training business and their sponsors during the event. Exhibitors may not hang banners of any size in the common event areas promoting sponsors.

- iv. Trainers may promote personal businesses/sponsors on props used during the freestyle performance of the final's competition, however the promotion logo/statement must be no larger than 12 inches by 24 inches.
- v. Trainers may purchase EMM/MHF logoed merchandise (t-shirts, banners, caps, etc.) from the Mustang Heritage Foundation but may not reproduce EMM/MHF logos in any way on apparel, banners or other posted materials.

2. MUSTANG CARE

- a. Mustangs will have current vaccinations, Coggins and trimmed hooves.
- b. Mustangs used in Extreme Mustang Makeover competitions will be as uniform in size and age as possible. Age of horse is determined by freezemark and BLM health papers and will comply with the industry standard of changing age on January 1.
- c. Selected trainers will pick up a mustang. More pick-up information pending.
- d. Trainers must meet all requirements listed on the following pages for hauling and stabling their mustang.
- e. Trainers will have from the day they pick up their mustang until the competition date to train and work with their mustang.
- f. Trailer requirements: You must provide transportation for your mustang from the BLM facility to your facility. While someone else may transport the animal, all trailers must meet these minimum standards: covered top, sturdy walls/floors, and a smooth interior free from any sharp protrusions; ample head room; removable partitions or compartments to separate animals by size and sex, if necessary; floor covered with a non-skid material; and, adequate ventilation. The BLM requires stock-type trailers with a rear swing gate to transport animals. Drop ramp, divided two-horse trailers and trucks with stock racks are not acceptable.
- g. Facility requirements: Facility can consist of a corral/paddock/stall/round pen. Facility must be a minimum of 400 square feet (20 feet x 20 feet) and have fences at least 6 feet high. Facility must be sturdy and constructed of materials such as poles, pipes or planks (minimum 1.5-inch thickness) without dangerous protrusions. Barbed wire, large-mesh woven, stranded and electric materials are unacceptable for fencing. You should not release the Mustang into a large open area, such as a pasture, since you may not be able to recapture the animal for training or to provide veterinary care. However, once the animal is gentled, you may release it into a pasture or similar area. You must provide shelter from inclement weather and temperature extremes for your Mustang. Shelters must be a two-sided structure with a roof, well drained, adequately ventilated and accessible to the Mustang. The minimum two sides need to block the prevailing winds

and need to protect the major part of the bodies of the horse. Tarps are not acceptable. Contact your administering BLM office for shelter requirements in your area.

- h. Mustang training must be humane and compassionate. "Least resistance" techniques are encouraged. At all times, the humane care and best interest of the horse are paramount. For Extreme Mustang Makeover events and Mustang Heritage Foundation programs, the trainer is responsible for the well-being and humane treatment of any mustang entrusted to their care. Contact Mustang Heritage Foundation staff or management to report any health issues with your horse so that proper veterinarian care can be administered. Any suspected inhumane treatment of horses should be reported to management immediately with potential consequences as outlined in our Humane Treatment Policy.
- i. Trainers are responsible for all care-related costs from the day the mustangs are picked up through the competition. Expenses incurred during the training period and competition **will not** be reimbursed.
- j. For any and all reasons, the trainer is responsible for returning the mustang to his/her nearest BLM facility if he/she is unable to complete the training and participate in the competition. Participation is subject to review if an individual has a history of frequently returning EMM or MHF program horses before completing the training or participating in the competition.
- k. In the case of serious injury or death of your mustang, trainers are required to notify the **Event Director, Tammy Worley at (214) 683-6669** and their BLM OOJ within 24 hours of the occurrence. MHF will also immediately relay this information to the appropriate BLM staff.

Any participant using abusive or excessive training techniques or being inhumane to a mustang in his/her care (determined excessive or abusive by a panel assigned by the Mustang Heritage Foundation and consisting of a panel of licensed equine veterinarian(s) and/or respected horse industry professionals) may be removed from the contest and/or all future contests and training programs. If a participant's horse enters the contest or if the trainer/participant at any time presents a horse with questionable training/care related injuries (determined excessive or abusive by a panel assigned by the Mustang Heritage Foundation and consisting of a panel of licensed equine veterinarian(s) and/or respected horse industry professionals) the participant may be removed from the contest and/or all future contests and training programs. This policy is in addition to our event rules. All trainers must agree to, sign and return the Humane Treatment Policy included in the Trainer Application. The following list, while in no way exhaustive, includes examples of unacceptable behavior and training techniques:
 - i. No horse that appears to be emaciated, drawn or injured may be exhibited.
 - ii. Use of inhumane training techniques or methods such as striking horse with objects, excessive spurring and/or excessive jerking of reins.

Any alleged unsportsmanlike or irresponsible conduct or any form of misconduct, such as illegal, indecent or profane, and inhumane treatment of horses are prohibited and shall be grounds for disciplinary action against offending individuals. Further, event management may immediately expel offenders from the competition or show grounds in order to preserve the decorum of the show.

6. DIGITAL MEDIA POLICY

- a. Mustang Heritage Foundation understands that sharing your journey as a competitor on digital media is a part of the current landscape and we encourage you to do so, thoughtfully. One of our highest priorities is to ensure that the digital content relating to MHF and MHF programs aligns with our mission, values, and public image to guarantee the future and reputation of our foundation.
- b. **Quality and Respect:** As a competitor or participant in Mustang Heritage Foundation programs, you are representing MHF in everything you do and being mindful when developing digital content is vitally important. Additionally, many MHF followers will want to follow your journey and may engage with you along the way. It is our expectation that each competitor, participant, and partner of MHF create content that is consistent with our mission and values and be respectful in their engagement with followers, however controversial. Carefully consider your audience (intended and unintended) as you develop content and review your content prior to sharing or distributing to ensure accuracy and alignment with MHF mission and values.
- c. **Auditing:** As a competitor and/or participant, you are held accountable for the content you share when in partnership with us. The Mustang Heritage Foundation team regularly monitors competitor and participant content for violations of our digital media policy, and it is our expectation that if a post is found to be in violation, the competitor or participant will remove and/or alter the content accordingly as soon as possible after notification. Mustang Heritage Foundation reserves the right to discontinue the relationship and/or partnership with a competitor or participant at any time based on digital media policy violation(s).

Progress forms and supplemental information will be provided prior to pick-up with detailed due dates. **All four progress reports are required by the indicated due dates.** Progress reports can be accessed online via

<https://mustangheritagefoundation.org/emm-progress-report/>, or submitted via email to progress@mustangheritagefoundation.org.

- The purpose of this event is to showcase the talent and trainability of mustangs and to provide an opportunity for trainers and horses to engage in safe competition for prize money and awards. Therefore, all horses entered into the competition should be gentle and safe to maneuver through the show grounds. Upon entry onto the show grounds, should a mustang be deemed unsafe by MHF and/or BLM that horse may be excused or uninvited to participate in the competition and adoption. The goal is for all trainers and horses to participate in the event as long as the horse is safe to do so. If there is a concern regarding the horse's training status please contact **Event Director, Tammy Worley at (214) 683-6669**.
- Upon entry onto the show grounds, competing mustangs' freemark marks will be verified by a BLM or MHF representative to determine the horse's eligibility. For legibility reasons, the trainer may need to shave the hair around the freemark ahead of time.
- Upon entry onto the show grounds, all trainers must provide a current Health Certificate and Coggins paperwork for all competing horses.
- Upon entry onto the show grounds, competing mustangs will be examined by a veterinarian or knowledgeable individual to determine the health and condition of the horse. Should a mustang be deemed in poor condition by a veterinarian or knowledgeable individual that mustang may be excused or uninvited to participate in the competition.
- At least one bag of shavings and one stall per competing mustang will be provided free of charge. One shared tack stall will also be provided free of charge (tack stall may be shared with up to three other individuals). All mustangs will be stalled together according to the division in which they are competing (Youth Division, EMM, etc.). Trainers are not allowed to place locks on horse stalls.
- Trainers are responsible for all care-related costs from the day the mustangs are picked up through the competition. Expenses incurred during the training period and competition will not be reimbursed. Trainers are responsible for bringing all tack, feed and supplies needed during the competition.
- An arena will be available for warm up and scheduled practices.
- Competition schedule to be announced.
- Winners will be announced following the competition.
- Trainers are required to demonstrate their mustangs during the adoption on the final day of the event in a manner that showcases the trainability of the horse. For example, if a horse is

exhibited under saddle during the competition, then it should also be demonstrated under saddle during the adoption.

- Trainers must fulfill all requirements related to hauling, stable facilities, care and training.
- Trainers will be given specific competition patterns at the event. Trainers will have an opportunity to “walk through” the patterns with the judges, without their mustang, prior to the competition.
- Class awards may be presented. Any class ties will be broken by the score from a predetermined element in the class. The tiebreaker element will be determined prior to the start of the event. In case of further ties, a tiebreaker judge may be used. The tiebreaker judge will be appointed prior to the start of the event.
- Ties will be broken by the trail class to determine the top 10 finalists. If a tie exists between trail class scores, the score from a predetermined element in the trail class will break the tie. The tiebreaker element will be determined prior to the start of the event. In case of further ties, a tiebreaker judge may be used. The tiebreaker judge will be appointed prior to the start of the event.

1. JUDGES

- a. The Mustang Heritage Foundation will designate the appropriate number of judges, as well as an equipment/rule steward to support the efforts of show officials to ensure all rules are being followed.

2. EQUIPMENT

- a. Mustangs may be exhibited in English, Western or other appropriate equine styles and equipment. Exhibitors are asked to wear appropriate attire and head gear, which reflects the style of their riding. Silver on your saddles or sequins on your shirts will not earn you any extra points.
- b. If ridden during the preliminary classes, horses must be saddled and bridled in appropriate tack/gear.
- c. **ILLEGAL equipment that will result in automatic disqualification from the class in which equipment was used in (regardless of discipline) includes** snaffle bits with mouthpieces smaller than 5/16" and/or consisting of non-smooth material (such as twisted material), stud chains, and bosals made of anything but rawhide, leather, or rope with a flexible core (no metal of any kind). Use of any bit or equipment determined severe by the judges will not be allowed and will result in disqualification from the class in which it was used.
- d. The judge or steward may prohibit the use of any bit or equipment they consider inhumane or would tend to give a horse/rider an unfair advantage. The diameter of

mouthpieces, length of shanks and use of curb straps or chains must comply with MHF rules. National Snaffle Bit Association and American Quarter Horse Association rules are resources for preferred equipment including the diameter of mouthpieces, length of shanks and use of curb straps or chains. **It is the trainer's responsibility to contact MHF event staff to obtain written approval regarding any questionable equipment, or to clarify if a certain type of equipment is deemed humane and allowable. Said request and approval/ disapproval must be conducted via email in writing.**

- e. Mustangs may be shown with two hands in a snaffle bit or bosal. Showing a mustang with two hands when using a curb or shank-type bit is strongly discouraged during any point of the competition (including the finals) and will result in an automatic 5-point deduction per judge.
- f. Training aides (whips, sticks, treats, the tail end of lead rope, etc.) will not be restricted, although trainers should realize that horses shown with the use of training aides will be judged accordingly. Any excessive use of a training aid (including striking the horse) will result in an automatic 10-point deduction from each judge in that class.

Alteration of tail function (tail blocking, dead tails, etc.) is prohibited at any and all points during the competition and will result in disqualification.
- c. Drugs: No person shall administer drugs internally or externally to a mustang, either before or during the Extreme Mustang Makeover competition or adoption. Any medication, drug, mechanical device or artificial appliance, which is of such character as, could affect or enhance the mustang's performance or appearance at the event is prohibited. **If a mustang is receiving medication for therapeutic purposes the trainer must submit a letter from their veterinarian to the Extreme Mustang Makeover event manager as to the reason for the medication and the prescribed amount. THE EXTREME MUSTANG MAKEOVER MANAGEMENT RESERVES THE RIGHT TO DRUG TEST ANY MUSTANG IN THE COMPETITION.** Positive tests will result in removal from the

event, removal of reimbursement and prize money, refund of adoption fees paid by an adopter and return of a mustang to the BLM should the adopter wish to return the adopted mustang. In regard to herbal/natural supplements, trainers are cautioned against the use of medicinal preparations, tonics, pastes and products of any kind, the ingredients and quantitative analysis of which are not specifically known, as many of them may contain a forbidden substance.

a. Handling & Conditioning Class (80 points from each judge)

During this class, the trainer will lead the horse into a small pen inside the arena, un-halter and release the horse in the pen. The trainer will exit the pen. The horse's conditioning will be scored at this time. The trainer will then be allowed back into the pen. Upon re-entering the pen, the trainer will re-halter the horse and lead the horse out of the pen to complete a set of handling maneuvers in the arena. This class will be judged on the following:

Handling (60 points): Judges will assess the horse's demeanor and responsiveness during the haltering process, as well as the relationship between horse and trainer through the completion of additional handling maneuvers including but not limited to the following:

- Walk
- Trot
- Stop
- Back
- Pick up feet
- Load and unload from trailer

Conditioning (20 points): The horse's condition will be judged in two areas:

- Appropriate weight/muscling based on the Henneke System (10 points)
- Overall appearance (this score will reflect hair coat, feet condition, etc.) (10 points)

Penalties

- Patterns completed out of order (5 points)
- Competitor losing their horse during the class (5 points)

Additional Criteria: No person shall alter, change or attempt to hide the natural marking and/or rubbed or raw skin of a horse by surgery, dye, hoof polish, powder or in any other manner – doing so will result in a 10-point deduction per judge. Use of false tails or extensions on the mane or tail are prohibited and will result in disqualification. No points will be deducted for short or rubbed out manes or tails. The score will not reflect conformation. To learn more about appropriate weight/conditioning for a horse based on the Henneke System, please visit:

Exhibitors will be asked to lead and ride their horse through a course of generic obstacles and maneuvers. Exhibitors will be able to "walk through" the course with the judges prior to the class. Horses are not allowed during the walk-thru.

6. FINALS DESCRIPTION & SCORING

- a. The top 10 mustangs with the highest combined total scores from the preliminary classes will return for a finals competition that includes compulsory maneuvers and a freestyle performance.
- b. Competitors will come into the finals with a “clean slate” meaning that their scorecard will return to zero and no previous scores will be counted or considered toward their final placing in the freestyle competition.
- c. The completion of the compulsory maneuvers will take place separately from the freestyle performance.
- d. For the freestyle performance, trainers will have four minutes to stage or set the arena.
- e. Trainers must provide their own props and assistance for arena set up and tear down - it is the trainer's responsibility to make sure all props are cleared from the arena immediately following the conclusion of the freestyle performance, including hay, confetti, etc. Not completely clearing the arena of debris will result in a no score for the freestyle.

- f. All props must be freestanding. Nothing may be driven into the ground (i.e., rebar, stakes, etc.), and doing so will result in a no score for the freestyle.
- g. Trainers may promote personal businesses/sponsors on props used during the freestyle performance, however the promotion logo/statement must be no larger than 12 inches by 24 inches.
- h. Props of pyrotechnic nature including fireworks, flares, firecrackers, rings of fire, etc. are not allowed and will result in disqualification.
- i. Wearing guns (real or toy) in any arena or during the competition, as well as shooting guns and/or blanks is not allowed during the competition or anywhere on the grounds and will result in an automatic disqualification.
- j. *Trainers will have 3.5 minutes to complete their freestyle performance. The music and time will start simultaneously when the trainer or horse enters the arena, whichever comes first. It is the trainer's responsibility to ensure EMM staff is aware of which is entering first (horse or rider), so that the time and music can be started appropriately.
- k. Live "voice-overs" and/or commentary from the trainer and/or trainer representative are not allowed during the performance and will result in disqualification.
- l. Lighting and/or spotlights cannot be manipulated or altered for any of the trainer freestyle performances.
- m. Music is a required component of the freestyle performance – if the trainer does not turn in music during the finalists' meeting at the event, management may select music for him/her. Music must be submitted as one single track (MHF staff will not transition from one track to another during the performance or merge music files for a competitor) as an mp3 file. Music will not be played from a phone or any other device. The music file will be downloaded onto our music system. All music is subject to review and approval by MHF staff. **If the trainer does not pick up their flash drive following the freestyle, MHF will discard it at the end of the event.**
- n. All freestyle music and themes should be in good taste and family-friendly. The purpose of the Extreme Mustang Makeover is to highlight the Mustang Heritage Foundation's mission to place more mustangs in private care. Therefore, the code of conduct will be strictly enforced and music containing profanity and controversial or disparaging themes or props are strictly prohibited. The Mustang Heritage Foundation Board of Directors reserves the right to disqualify and remove from competition any trainer that violates this rule for any reason or no reason. The Mustang Heritage Foundation Board of Directors decision will be final. If clarification is needed, contact the MHF event staff.

- o. Other animals (dogs, additional horses, additional cattle, etc.) will NOT be allowed in the arena during the finals performance for any reason and will result in disqualification.
- p. Other people (including children) will NOT be allowed in the arena during the final's performance for any reason other than to drive a vehicle to be used during the performance. If someone other than the trainer is driving a vehicle in the performance **none of the occupants** of the vehicle will be allowed to exit the vehicle while in the arena and the windows must be rolled up at all times (the vehicle, if driven by someone other than the trainer, must be closed-cab; gators, golf carts, ATV's, etc. will not be allowed and will result in disqualification). Other people are NOT allowed to act as props, ride or come in contact with the horse at any point during the performance and will result in disqualification. Other people may hand props to the trainer from outside the arena.

- g. Trainers will have from the day they pick up their mustang until the competition date to train and work with their mustang.
- h. Trailer requirements: You must provide transportation for your mustang from the BLM facility to your facility. While someone else may transport the animal, all trailers must meet these minimum standards: covered top, sturdy walls/floors, and a smooth interior free from any sharp protrusions; ample head room; removable partitions or compartments to separate animals by size and sex, if necessary; floor covered with a non-skid material; and, adequate ventilation. Shelters must be a two-sided structure with a roof, well drained, adequately ventilated and accessible to the Mustang. The minimum two sides need to block the prevailing winds and need to protect the major part of the bodies of the horse. Tarps are not acceptable.
